President's Message

Welcome:

Looks like the heat may be coming to an end. This has been a very hot and muggy summer.

Monday evening, August 31st, the CAP group was at the field. We had some of the students on the trainer systems. We also had a couple of members bring some other form of RC. One was Susan Seaford (Secretary); she brought an LT-40 Kadet that she is building from a Sig kit. The plane is about half finished. This gave the youth a view of building and what is involved. The second was Bic Green; he brought his Hexacopter with camera and viewing screen. He flew the copter and let the youth run the camera. They had a ball. I am glad to see that we as a club are able to show the youth, and the public, that RC is more than just flying. By the way, the students that did fly are doing well.

Bob Templeton is looking for five good members to run the club next year. The positions are: President, Vice President, Secretary, Treasurer, and News Letter Editor. If you are interested please get in touch with Bob at 256-880-2028 or bob@dbltree.com .

Don't forget to vote on the Bylaw changes (attached). You can do it online at the club website, mail in the ballot, or come to the October meeting, whichever way is most convenient.

See you at the field.

Minutes of the August 18, 2015 Meeting of RCRC

The meeting was called to order by the president. A quorum of the members was present. All officers were present. Four new members were present, bringing the total membership to 133. Ten CAP youth are awaiting the AMA numbers. Minutes and treasurer's reports from June and July were approved. Income for the last month was \$416.08 and expenses were \$1132.44. The current balances are \$2335.59 in the general account, \$7682.21 in the money market account and \$892.14 in the Mike Wingo scholarship fund. The safety report had no incidents for the prior month but cautions for being in the line of the propeller and the need for a preflight check were stressed. The field report was given by Ron Lamon who described work on the pressure washer.

Cameron Fears was announced as the winner of the Camp AMA award. He will be putting in his application for the 2016 camp. UAH has not contacted us regarding the memorandum of understanding that was presented to them. Bob Templeton presented a report on Model Aviation Day. An unofficial tally had 180 visitors, 75 aircraft and 35 pilots. He also gave a report on his progress with the Facebook page. He has been able to clear up any problems with another site using the name. A proposal for an upgrade to the PA system was presented but suggestions were made to try some changes with the current system first. The president asked for volunteers to help programming radios. Bob Templeton was appointed to chair the nominating committee.

The Flying Field Regulations changes were then presented. The president explained the reasons for the proposed changes on regulation 8 and a vote was taken which showed approval. The same was then done with regulation 19 which also passed. These being regulations are now in effect. Attention was then given to the proposed bylaws changes. The membership voted to approve or disapprove them as a whole rather the vote on each individually. Again the president explained the reasons for the changes of each bylaw. A show of hands approved the bylaws changes. These changes involving bylaws will be posted online and in the newsletter and then will be finalized at the October meeting. The ballot (that can be obtained on line or from the newsletter) can be brought to the meeting or be mailed by USPS. Voting can also be done online at the website.

The program included comments on decals and a discussion of electric conversions led by Al Blair.

Safety Report – The safety officer reported no injuries. He stressed that the most danger of personal injury is from a spinning propeller.

Ensure that spectators are behind the airplane when the motor is running.

RCRC Bylaw changes

Original Bylaw

Article Three Membership

Section 3(a) Annual membership dues are \$50.00. Additional immediate family membership for each member will be assessed at the rate of $\frac{1}{2}$ (one half) times the normal annual dues if the address is the same as the initial member's. For renewals that apply to the 2010 calendar year, yearly dues are due no later than the December, 2009 general membership meeting. Renewals after that date shall be assessed a \$10.00 late fee. However, for the 2011 and later calendar years as well as for memberships taken during during December of 2010, there is no penalty; the fee is always \$50.00.
