PRESIDENT'S MESSAGE

Things have been continuing to operate well for RCRC in spite of everything going on in the world. Keep it up. Our hobby is a great way to get outside and safely enjoy our love for model aviation and the company of others.

Please remember that we are still under a mask mandate in our area. However, due to being outside, masks are not required if there are 10 or fewer people present. Please note that MASKS WILL BE REQUIRED FOR ALL EVENTS UNTIL FURTHER NOTICE. Let's keep up the good work and keep this virus at bay for RCRC and its extended family!

Please resume adherence to the log book sign-in and member permit on the frequency board policies.

We will be hosting a club meeting for October at the normally-scheduled time. While still at the field, the number of attendees and weather will dictate if we hold it in the clubhouse or in the pits.

The next club meeting is Tuesday October 20 at 6pm.

**Fly well, fly safe!!
Bob Templeton
President – RCRC**

- Discussion of pets at the field was opened again. As stated in the bylaws, the club's proceedings are governed by Robert's Rule of Order. We had two opposing proposals and that is not permitted. There was already a standing proposal to allow pets at the field when the additional proposal of prohibiting pets was motioned. After discussion, the original proposal of allowing pets was voted upon by ballot. The proposal to allow pets was passed with 11 yeas and 4 nays. The field regulations have been updated and published with the guidance pets and owners must observe while at the field.
