Prez Sez

As I write this I am returning from a trip north to visit family. I am using a small computer and often have no internet connection.

Several club members have donated airplanes to the club. Some are complete with radios and engines, others are just the planes. The club will have a silent auction at this meeting to sell these planes and the money will go to the club treasury. Try to attend.

I would like to thank John Williams, and Gene Heatherton for repairing the monument and Mary Long for repainting part of the club house. Ted Kaiser helped with the landscaping on the monument. Many thanks to all of them.

Next month we have the Toys for Tots on the 6th of November and also we have a Pylon Race on the 20th.

See you at the meeting,

Peter

Minutes for the September, 2010 RCRC General Membership Meeting

The meeting was called to order at 7:00 PM on September 21, 2010. A quorum of the membership was not present.

Board members present:

Vice President, Secretary, Treasure and Newsletter editor

Guests: none

New members: None

Boards Notices:

A reading was made of the treasurer's report for August. It was not submitted for approval due to a lack of a forum.

Old Business:

None

New Business:

There was a proposal made to rescind the proposal to allow Control Line Flying at the field. This is a result of review of the requirements imposed by SWDA and the city. Their requirements made the project unfeasible. It was noted that this is the third attempt to incorporate U control flying into the facility and that none have been successful.

A request was made of the membership to use the trash containers with lids, especially for food. The local animals are pulling garbage out of the uncovered ones and scattering throughout the area.

Bob Walls announced the Toys for Tots Program November 6th and 7th.

There was also announcement made of the club race 40 on November

Skip Little found an airplane in the wooded area north of the field. If it is yours please call him and identify it. Skip's phone number is 256 881 6680

The slate of officers was announced:

President: Peter Wick

Vice president: James Fowler

Treasurer: Wayne Gladden

Secretary: Tony Coberly

Newsletter editor: Michael Norton

A motion to adjourn the meeting was made and passed. Meeting adjourned at 7:30.

Minutes for the October, 2010 RCRC Board of Directors meeting

The meeting was called to order on October 5th, 2010 at 6:00 PM. President, Treasurer and Newsletter were present.

Guest: James Fowler and Bic Green were present.

Old business: None

New Business:

Mr. Green is willing to contribute an airplane to the club. It's a good looking airplane and would make a second airplane for someone.

Wayne Gladden was told to get the board of directors insurance, even though it is \$600

The meeting was adjourned by 6:30 PM.
