President's Message

We still have three Board of Directors positions that we need nominees for this election cycle. Treasurer, Secretary, and Newsletter Editor. A nomination committee will be appointed at Tuesday's club meeting. This club cannot be run by the president and VP alone. Time required by these positions is minimal. Generally, members of the board are expected to be a club and board meetings and to carry out their specific duties such as taking meeting minutes, preparing a financial report for club meetings, and editing and producing the club's newsletter. The total monthly time requirements for these positions should be less than five hours/month...a small price to pay to help keep your club running smoothly.

Please give serious consideration to helping be an instrumental presence in RCRC. Please contact a board member to let them know you want to help. Watch future newsletters to see who will be on the nomination committee.

Please see the swap meet flyers later in this newsletter.

The next club meeting is Tuesday 18-September at 6pm.
