# PRESIDENT'S MESSAGE

Things have been continuing to operate well for RCRC in spite of everything going on in the world. Keep it up. Our hobby is a great way to get outside and safely enjoy our love for model aviation and the company of others.

I have been working with the City of Huntsville for the last year and a half on getting the RCRC resolution renewed. While it took a little persistence, the city attorneys have been helpful, cooperative, and responsive. SWDA has approved and signed the renewal agreement and I have also signed the renewal agreement. The agreement will now go before the Huntsville City Council either this Thursday or the first council meeting in December. After that, it will go before the mayor for his signature. For all intents and purposes, it is the same agreement that we have had for the last 25 years with some upgraded terminology and different names. Once the final document has been signed by all parties, it will be posted on the club's website in the "club documents" area.

Being November, that means it's time for the board of directors election for 2021. All current club officers are running for re-election unopposed. You can vote with the ballot below in this newsletter and bring it to the November meeting or you can vote online at our website in the "Members Area".

We will be hosting a club meeting for November at the normally-scheduled time. With it being cooler and dark when the winter meetings are held, we will likely be holding meetings inside the clubhouse. Masks and physical distancing will be required. Please, if you are not comfortable in that setting, better safe than sorry.

**The next club meeting is Tuesday November 17 at 6pm.**

**Fly well, fly safe!!**  
**Bob Templeton**
