PRESIDENT'S MESSAGE

Things have been continuing to operate well for RCRC in spite of everything going on in the world. Keep it up. Our hobby is a great way to get outside and safely enjoy our love for model aviation and the company of others. I am not aware of any members contracting COVID-19, and I very happy that we have been able to continue that throughout this crazy year. With colder and rainier weather, we're largely locked into having gatherings in the clubhouse. With the absence of any pressing business that must be carried out in person at a meeting and with drastically increasing local cases, **the RCRC board has decided to cancel the scheduled December club meeting.** Please continue to be smart and protect yourselves and others.

We should take advantage this extended build season to work on all of our RC projects to show off next year. With my major jet crash at our Toys for Tots event last month, I'm humbly trying to go back to basics and doing a lot of sim/practice-time as well as getting back into helicopters and simpler aircraft more. I look forward to see what RC goodness Santa delivers to everyone this year.

I hope that everyone is able to have a safe and happy holiday season and that 2021 brings us brighter days.

The next club meeting is TBD. Members will be kept informed via email and our Facebook group.

**Fly well, fly safe!!
Bob Templeton
President – RCRC**

Minutes for RCRC monthly club meeting: November 17, 2020 Meeting: 18:06-18:25
