PRESIDENT'S MESSAGE

Things for RCRC pilots to remember:

- Sign the field log and place your flying permit on the frequency board BEFORE you start flying. The field log book is required by our agreement with the city and helps us all monitor AMA and RCRC membership.
- Contact Clint Bestor or Al Blair with any field maintenance issues that need attention. We can't fix it if we don't know about it.
- This is a hobby and we should all be enjoying it as well as each other's company while at the RCRC facilities. Please treat your fellow pilots with courtesy and respect. We all just want to have fun! 😊
- If you are the last one to leave the field, PLEASE CLOSE AND LOCK THE ENTRANCE GATE. The gate should not be open without any permit holders present no matter the time of day or circumstances that may be present.
- Be good RC ambassadors! Reach out to and engage visitors when they are at the field. Everyone likes to show off their aircraft or flying....now is your chance.
- The board of directors is here to support RCRC, its members and to manage day-to-day operations of the business of the club. If you believe there is something that we need to address please contact a board member and fill us in.
- Most important: Be safe and have fun!!!

The next club meeting is June 15 at 6pm.

Fly well, fly safe!!
 Bob Templeton
 President – RCRC
