# PRESIDENT'S MESSAGE

Hello RC Fans!

Please remember that **ALL pilots must sign the logbook and place their flying permit on the frequency board prior to flying. This is a long-established field regulation and is non-negotiable.** All RCRC permit holders have every right to verify and enforce compliance with this field regulation. If you don't like being asked, then follow the field regulations to begin with and nobody will bother you.

**Events for this year have been scheduled and approved.** Details are in the club events section on our website.

The next event is **National Model Aviation Day August 13<sup>th</sup>**! I am the CD for this event. Please contact me with any questions you have.

THANK YOU!

**The next club meeting is July 19 at 6pm.**

Fly well, fly safe!!  
**Bob Templeton**
