PRESIDENT'S MESSAGE

Hello RC Fans!

Fall is here and cooler temps are prevailing. We have three weeks of Daylight-Saving Time left so let's get out there and take advantage of it!

Toys for Tots went great last Saturday! We had 23 participating pilots and tons of spectators. In addition to a large box of new toys for the kids, we wound up with \$731.00 in cash and check donations...the best yet! Thank you to all that came out and participated and helped. We couldn't have done this without you!

November brings us to director elections for 2023. The current board members are all seeking re-election. Nobody is running in opposition to any of the current board positions at this time. We still need a newsletter editor if you're interested in helping out. The November newsletter will have ballots for mailing in. You will also be able to vote online. Details to follow.

THANK YOU!

The next club meeting is October 18 at 6pm.

Fly well, fly safe!!
Bob Templeton
 President – RCRC

Please remember....

- **Golf Cart:** ALWAYS plug the charger into the golf cart when putting it away. We are using a charger that will not overcharge or harm the batteries.
- **Entry Gate:** Huntsville utilities has their own lock on our gate. This is so they have the unrestricted access to the site that they require. When you lock the gate on your way out, please ensure that HSV Util's lock can allow the gate to be opened as well as ours.

- **Pits:** If you are the last one leaving, please close and latch the frequency board as well as the logbook desk and the first aid kit.
- **Flying:** Nope...not yet, you need to sign-in with the logbook prior. 😊
- **Flying #2:** Have fun!
- **Thank you!** We appreciate everyone pitching in to keep things operating smoothly at RCRC.

September 20, 2022
