PRESIDENT'S MESSAGE

Hello RC Fans!

The Swap Meet held on June 3 was a great event. We had numerous participants from within the club as well as visitors. There was much trading of money and things between everyone and we had a fun time. I hope everyone acquired what they were looking for! Until next time.

Things for RCRC pilots to remember:

- This is a hobby and we should all be enjoying it as well as each other's company while at the RCRC facilities. Please treat your fellow pilots with courtesy and respect. We all just want to have fun! 😊
- Sign the field log and place your flying permit on the frequency board BEFORE you start flying. The field log book is required by our agreement with the city and helps us all monitor AMA and RCRC membership.
- If you are the last one to leave the field, PLEASE CLOSE AND LOCK THE ENTRANCE GATE. The gate should not be open without any permit holders present no matter the time of day or circumstances that may be present.
- Be good RC ambassadors! Reach out to and engage visitors when they are at the field. Everyone likes to show off their aircraft or flying...now is your chance.
- The board of directors is here to support RCRC, its members and to manage day-to-day operations of the business of the club. If you believe there is something that we need to address please contact a board member and fill us in.
- Most important: Be safe and have fun!!!

THANK YOU!

The June club meeting has been canceled.

May 16, 2023
